If this link does not work, try using this path:

Go to: <http://www.dep.state.pa.us/>

Click on: Business & Industry>

Environmental Technology>

Technology Database

Screenshot:

The screenshot shows a Microsoft Internet Explorer browser window displaying the Technology Clearinghouse Home Page. The browser's address bar shows the URL: <http://www.ahs.dep.state.pa.us/Clearinghouse/Content/index.asp>. The page header features the DEP logo and the text "Technology Clearinghouse DATABASE" along with navigation links for "Home", "What's New", and "Search Database".

The main content area includes a welcome message: "Welcome - You are not currently logged in". Below this, a "WELCOME" section explains the purpose of the clearinghouse and provides instructions on how to register and search for technologies. A "Clearinghouse News!" section mentions that vendors have submitted information and that PA DEP staff will be adding technologies that have been reviewed through the permitting process.

A prominent graphic for a "Technology SURVEY" is displayed, with a green "CLICK HERE!" button. At the bottom of the page, there is a DEP logo and the text "Office of Pollution Prevention and Compliance Assistance". A footer section asks for "Questions? Comments? Concerns?" and provides an email contact for Cal Kirby.
