The screenshot shows a web browser window titled "Recycling Materials Application - Microsoft Internet Explorer". The address bar displays "http://www.dep.state.pa.us/wm_apps/recyclingmarkets/". The page content includes a search interface for the Pennsylvania Department of Environmental Protection. At the top, there is a navigation bar with "Search Subjects" and the DEP logo. The main heading is "Recycling Markets Search". Below this, there are four dropdown menus: "Facility Type: All Types", "Material Type: All Types", "County: All Counties", and "Sort by: County". A "Search" button is positioned below these menus. A note states: "NOTE: Inclusion of a site on this list does not constitute the Department's recommendation or endorsement." At the bottom of the page, there is a footer with navigation links: "Individuals & Families | Students | Educators | Farmers | Local Government | Business", "PA Home Site | GreenWorks.tv | Ask DEP | Plug-Ins | Home Page", "Contact Webmaster", and "Last Modified on 11/26/2003 10:38:27." The browser's status bar at the bottom shows "http://www.dep.state.pa.us/" and "Internet".
