

## FY 2014 Coastal Zone Grants

---

### Delaware Estuary Coastal Zone

**14.PD.01: "Delaware Estuary Coastal Zone Management Implementation Program"**

Delaware Valley Regional Planning Commission will use a \$50,000 grant to implement the Coastal Management Program in the Delaware Estuary Coastal Zone that includes Delaware, Philadelphia and Bucks counties

**14.PD.02: "Southeastern Pennsylvania Coast Day 2015"**

Partnership for the Delaware Estuary, Inc. will use a \$35,725 grant to conduct Pennsylvania Coast Day 2015 events, which educate the public about coastal recreation, historic sites and public access

**14.PD.03: "Schuylkill Banks Trail & Greenway: Bartram's to Passyunk Point Planning"**

Schuylkill River Development Corporation will use a \$45,000 grant to perform a feasibility study and develop preliminary design for an extension of Schuylkill River Trail from south of Bartram's Garden to south of Passyunk Avenue

**14.PD.04: "Croydon Woods Stewardship and Management Plan"**

Heritage Conservancy will use a \$11,467 grant to develop a comprehensive management and stewardship plan for Croydon Woods

**14.PD.05: "Crozer Park to Deshong Park Recreational Trail Design"**

City of Chester will use a \$32,500 grant to plan, survey and design a recreation trail connecting Crozer Park to Deshong Park in the City of Chester

**14.PD.06: "Tacony/Wissinoming Connector Street Feasibility Study"**

Delaware River City Corporation will use a \$45,000 grant to fund a planning study for a neighborhood green connector street connecting the Wissinoming and Tacony neighborhoods in Philadelphia to Lardner's Point Park and the East Coast Greenway

**14.PD.07: "Cobbs Creek Connector Trail Segment B Preliminary Design"**

Clean Air Council will use a \$30,000 grant to fund preliminary design of the Cobbs Creek Connector Trail Segment B

**14.PD.08: "Monitoring of the Bucks County Coastal Zone Watersheds"**

Friends of Silver Lake will use a \$10,100 grant to continue to monitor the watershed and educate high school students on non-point source pollution, invasive species and other coastal issues

**14.PD.09: "Schuylkill Banks Youth Kayak Program"**

Schuylkill River Development Corporation will use a \$2,240 grant to provide urban youth free aquatic recreational experiences on the Schuylkill River

**14.PD.10: “Stewarding Bristol Marsh”**

Heritage Conservancy will use a \$18,000 grant to restore and steward Bristol Marsh Preserve and Mill Creek through educational programs and clean-up days

**14.PS.04: “Marine Highway Analysis”**

Philadelphia Regional Port Authority will use a \$40,000 grant to analyze the feasibility of a marine highway project between the Port of Philadelphia and selected port pairings on the M-95 corridor

**14.PS.05: “Tree Care and Reforestation at Pennsbury Manor”**

Pennsylvania Historical and Museum Commission will use a \$43,000 grant to implement the Cultural Landscape Treatment Plan at Pennsbury Manor

---

**Lake Erie Coastal Zone Projects**

**14.PE.01: “Lake Erie Coastal Zone Coordination & Technical Assistance”**

County of Erie will use a \$74,000 grant for coordination and technical assistance with Lake Erie Coastal Zone projects

**14.PE.01A: “Lake Erie Coastal Zone Administration of Bluff Recession Setback Act”**

County of Erie will use a \$9,000 grant to assist Lake Erie coastal communities in administering the Bluff Recession and Setback Act of 1980

**14.PE.02: “The Missing Link: A National Weather Service Buoy for the Pennsylvania Waters of Lake Erie”**

Regional Science Consortium will use a \$25,000 grant to collect additional weather and wave data to complete an existing observation system which will provide safety information for boaters on the Pennsylvania portion of Lake Erie

**14.PE.03: “Contributions to Pennsylvania's Marine Spatial Plan - A Marine Archaeology Survey and Inventory of Identified Shipwrecks”**

Regional Science Consortium will use a \$30,000 grant to develop an underwater survey team, survey shipwrecks and promote conservation of these and other shipwrecks

**14.PE.04: “Shorewood Park Master Site Plan”**

Harborcreek Township will use a \$35,500 grant to develop a master site plan for the newly acquired Shorewood Park

**14.PE.05: “Restoring, Conserving and Protecting Limited Coastal Resources”**

Erie Times-News in Education will use a \$23,800 grant for a recurring newspaper in education weekly page focusing on coastal zone environmental issues

**14.PS.02: "Lagoons by pontoons - Boat Upgrades"**

Department of Conservation and Natural Resources will use a \$7,200 grant to upgrade equipment for the free-to-the-public Lagoons by Pontoons operation in Presque Isle State Park

**14.PS.03: "Assessing Migratory Bird Use of Lake Erie Coastal and Offshore Areas"**

National Audubon Society will use a \$50,000 grant to assess use of the near shore waters and airspace of Lake Erie by birds during migration seasons

---

**Enhancement Grants Projects**

**14.EG.01: "Building Coastal Outreach Capacity in Pennsylvania"**

Pennsylvania State University, PA Sea Grant will use a \$80,000 grant to develop an aquatic invasive species rapid response monitoring and surveillance system; build Marine Spatial Planning; and explore the Lake Erie coastal zone boundary and potential interests in expansion

---

**Coastal Nonpoint Pollution (CNPP) Projects**

**14.NP.01-03: "Implementation of the Coastal Nonpoint Pollution Program"**

Bucks County Conservation District, Delaware County Conservation District, and Erie County Conservation District will each use a \$20,000 grant to implement and track coastal non-point pollution management measures.
