This book has been adapted for use by the Pennsylvania Department of Environmental Protection (DEP) with permission from the Virginia Water Resources Research Center, Virginia Polytechnic Institute and State University.

The publication “Sandcastle Moats and Petunia Bed Holes” originally was developed by the Virginia Water Resources Center partly through a grant from the Virginia Environmental Endowment. Original text was written by Pat Nickinson. Illustrations were done by George V. Wills. Demonstrations were contributed by Bob Lamons. Revisions were made in 1994 by James T. Ulanoski, Nancy M. Spangenberg and Stuart Reese. Revisions in 2000 were done by Stuart Reese, DEP Bureau of Watershed Management. Illustration revisions were made by Hilton McKnight, DEP Graphics.

*Developed for students in grades 9-12
