

Food, Conservation and Energy Act of 2008

Helping People Help the Land

Environmental Quality Incentives Program

Reauthorized until 2012

Forest Management is specifically referenced

Expanded to include energy conservation benefits associated with conservation practices

Places a priority on reduction of water use or no new lands irrigated

EQIP Key Points

For organic producers:

Specific section on assistance with conservation practices utilized for organic production and transition

Payments for practices with organic production benefits limited to not more than \$20,000 per year; \$80,000 in 6 years

EQIP Key Points

\$300,000 payment limit per person over a rolling six-year period

Limited resource, socially disadvantaged and beginning farmers:

- ✓ Up to 90 percent cost share or at least 25 percent above the otherwise applicable rate
- ✓ Advance payments to cover up to 30% of the cost of materials to install conservation improvements

Mandatory 5% set aside each for Beginning and Socially Disadvantaged Farmers

Socially Disadvantaged Farmers

- African Americans
- American Indians or Alaskan natives
- Asian or Pacific Islanders
- Hispanic

Pennsylvania EQIP Priorities

- Core Conservation Practices
- Cover crop
- No Till and Reduced Till
- Nutrient Mgt
- Buffers
- Livestock Operations
- Grazing
- CNMP Planning
- Forestry
- Wildlife
- Cropland/Erosion Control

Windbreaks around production facilities

Windbreak during second year

EQIP Authorized Funding

Fiscal Year	Dollar Amount
2008	\$1,200,000,000
2009	\$1,337,000,000
2010	\$1,450,000,000
2011	\$1,588,000,000
2012	\$1,750,000,000

Conservation Innovation Grants

Emphasis on efficient and effective transfer of innovative technologies and approaches and increased participation of specialty crop producers

National and Chesapeake Bay Fund Pools

Pennsylvania has state option

Wildlife Habitat Incentives Program (WHIP)

\$85 million authorized each year for 2008 through 2012

For private agricultural land, non-industrial private forestland, and tribal lands

Annual payment limits to a person or legal entity of not more than \$50,000

Pennsylvania targeting grassland, stream corridors, early successional, and wetland habitat.

Agricultural Management Assistance (AMA)

16 States eligible; Hawaii added in 2008 Farm Bill

Annual payment limit of \$50,000 per person

\$15 million authorized for each fiscal years 2008 through 2012

Pennsylvania priorities: new irrigation, IPM

Farm and Ranch Lands Protection Program (FRPP)

Reauthorizes FRPP through 2012

Changes role from acquisition of an interest in easements to providing cost-share to eligible entities

Removes any present or future interest in easements from the Secretary

No statutory payment limit.

FRPP Key Points

Changes the minimum entity contribution to 25 percent of the easement acquisition price from 25 percent of the appraised fair market value

Allows the entity to designate the terms and conditions of its deed and to choose the appraisal methodology, subject to approval by the Secretary

Allows the Secretary to certify eligible entities

Specifies a minimum agreement length of 5 years for certified entities

Non-certified entities shall have agreement lengths of 3-5 years

FRPP Authorized Funding

Fiscal Year	Dollar Amount
2008	\$97,000,000
2009	\$121,000,000
2010	\$150,000,000
2011	\$175,000,000
2012	\$200,000,000

Grassland Reserve Program (GRP)

Additional 1,220,000 acres in the period of fiscal years 2009 through 2012

Removes dollar cap

Limits rental agreement options to 10-, 15-, and 20-years

Annual \$50,000 payment limitation per person for rental agreements and
an annual \$50,000 payment limitation per person for restoration
agreement payments

No statutory payment limit for easements

GRP Key Points

Allows entities to write, own, and enforce easements with a 50 percent match through a cooperative agreement

Uses an easement valuation requirement similar to Wetlands Reserve Program (geographic area rate)

Requires a grazing management plan

Includes contingent right language that would limit Federal rights in entity-secured easements

Healthy Forest Reserve Program (HFRP)

Assists landowners restore and protect forest land resources and at risk species

\$9,750,000 authorized each fiscal years 2009 through 2012

Enrollment options:

- ✓ Permanent easements
- ✓ 30-year easements
- ✓ 30-year contracts rather than agreements for Indian tribes

Limits funding to

- ✓ 40 percent for 10-year cost-share agreements
- ✓ 60 percent for easements

Conservation Reserve Program (CRP)

Removes marginal croplands from production and encourages environmental enhancement on those lands

\$50,000 per person annual payment limit

CRP Acre Limit

32,000,000 acres beginning 2010

Pennsylvania retains its CREP acreage allocation

- 100,000 acres lower Susquehanna

- 100,000 acres upper Susquehanna

- 65,000 acres Ohio River WS

Wetlands Reserve Program (WRP)

Reauthorized through 2012

Overall Program Acreage Cap 3,041,200 acres (adds 766,200 acres)

Limits enrollment to private or Tribal lands

Enrollment Options:

- ✓ Permanent easements
- ✓ 30-year easements
- ✓ 30-year contract option for Tribes
- ✓ Restoration cost-share agreements

Prohibits easements where ownership has changed during the previous 7 years for the purposes of enrolling in the WRP

WRP Key Points

Changes easement compensation to the lowest of the following:

- Fair market value of the land enrolled based on a

- Uniform Standards of Professional Appraisal Practices appraisal, or a

- Market survey

- Geographic cap established by the Secretary, or

- Landowner offer

WRP Key Points

Annual payment limit on restoration cost-share agreement payments of \$50,000 per person

Easements of less than \$500,000 may be made in up to 30 payments

Easements greater than \$500,000 may be made in at least 5 and no more than 30 payments

No statutory limitation on easement payments

A waiver may be allowed for special circumstances

Conservation Security Program

Conservation Security Program—

Continues funding for current contract holders for signups
conducted during fiscal years 2004 through 2008

No new enrollments

No new modifications

Conservation Stewardship Program (CStP)

The new **Conservation Stewardship Program (CStP)** will focus on:

- Incentivizing new conservation
- Rewarding producers for high levels of additional stewardship
- Addressing local priority resource concerns

CStP Key Points

Authorized 2009 through 2017

12,769,000 acres may be enrolled each year

Average \$18/acre nationally (FA and TA)

Acres will be allocated based on eligible acres in a state

Applicants must account for stewardship activities covering their entire agricultural operation

CStP Key Points

Applications will be competitively ranked based on:

- ✓ Present and proposed conservation activities
- ✓ Number and extent of resource concerns addressed
- ✓ Cost effectiveness of the expected environmental benefits

A person or legal entity cannot receive CStP payments exceeding \$200,000 during any five-year period

Program written to be available in every watershed, every year

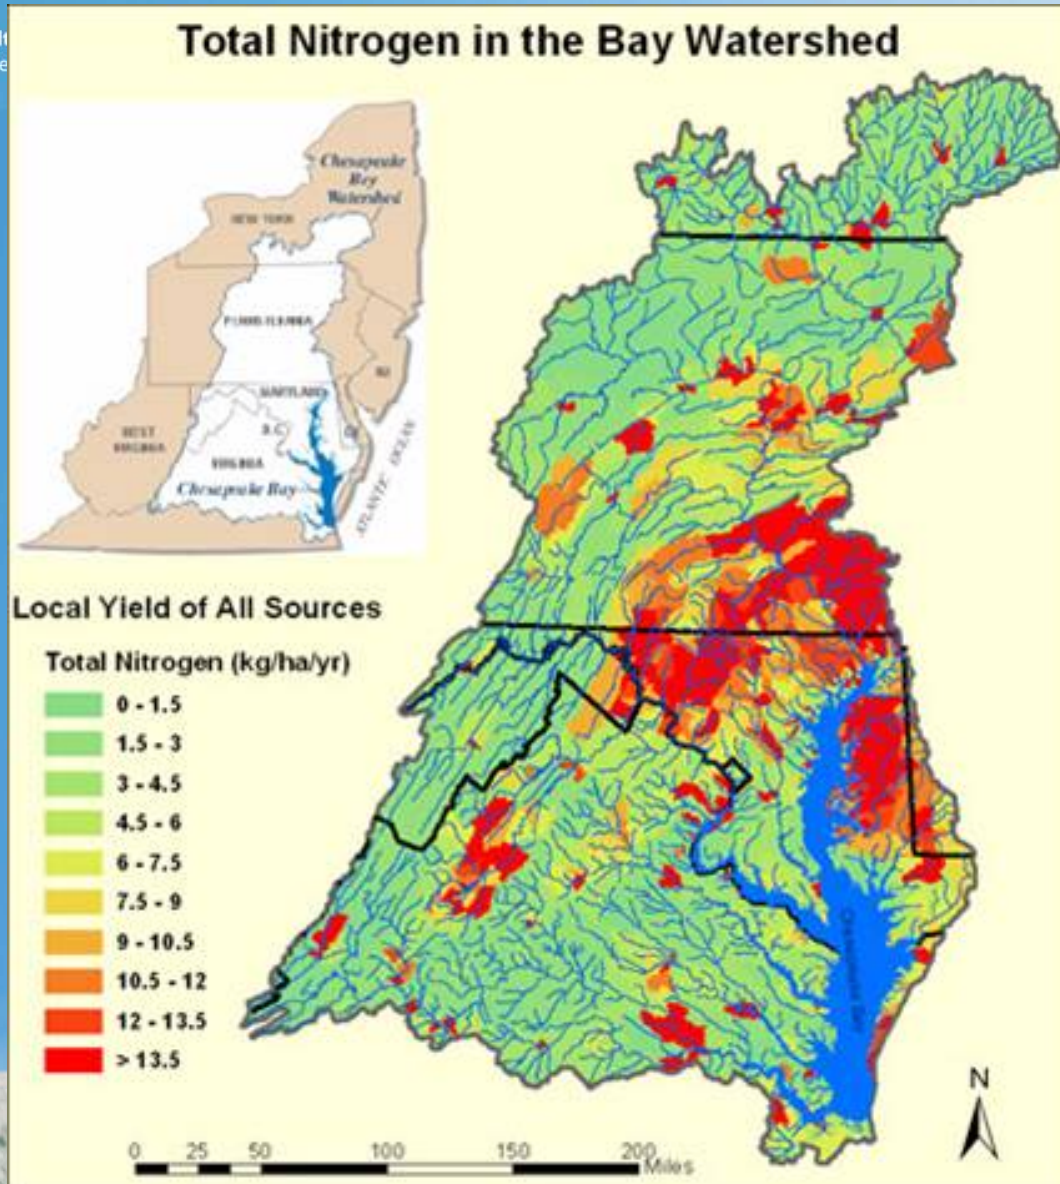

Chesapeake Bay Watershed Program

Provides assistance to producers to minimize nutrient and sediment loading

Special consideration and evaluation of applications in the Susquehanna, Shenandoah, Potomac and Patuxent River Basins

Funds to be utilized through existing Farm Bill conservation programs and are available until expended.

FY 09: \$23 million - FY10: \$43 million - FY11: \$72 million - FY12: \$50 million.

Environmental Services Markets

Establishment of science-based technical guidelines to measure environmental service benefits. Creation of a registry to collect, record, and maintain benefits.

Cooperative Conservation Partnership Initiative

Directs 6 percent of funds and acres from Farm Bill Conservation Title programs, except CRP, WRP, FRPP, and GRP, be used for targeted conservation activities and areas

Projects will be selected through a competitive process of applications submitted by partners

Projects will be implemented through existing program authorities and procedures

Funds and acres are directed at the State level (90 percent) and nationally (10 percent)

Adjusted Gross Income Limitation

For conservation programs, persons or legal entities are eligible if—

- ✓ *The average non-farm AGI is less than \$1,000,000, or*
- ✓ *2/3 of the average total AGI is from farming, ranching, or forestry*
- ✓ *The limitation may be waived on a case-by-case basis if:*
 - *Environmentally sensitive land of special significance would be protected*

Not in effect until FY2009

Control of Land

- Demonstration of Ownership
- Lease
- Control of Land/Landowner Authorization
